Dear Cindy:

On behalf of the nearly 200,000 children and adults in Oregon and Washington that suffer from seizure disorders, I want to personally thank you for your attendance at this year's Epilepsy Foundation Northwest Awards Brunch and Auction. Our two award recipients, Dr. Allen Wyler, and Rich Franklin, were moved by your attendance, and by the tremendous support for epilepsy awareness, services, study and treatment demonstrated throughout the event. Your generous contributions of both time and resources enable us to continue the challenging and rewarding work of serving people with epilepsy and their families.

We very much hope that you enjoyed your time spent at this year's brunch. Your generous contributions served to immediately fill several requests for emergency prescription medication less than 24 hours following this event and continue to fund critical epilepsy services provided throughout the year. Your support profoundly affects lives, daily.

The need for support in many areas continues to grow, and therefore EFNW's resources also need to grow. One way that you and others can help the Foundation meet this need, and also have a great time, is to join us in this year's Step Into Summer Walk for Epilepsy on Saturday morning, June 17th. This will be the fifth year of our Walk. To get more information visit the EFNW website, at [www.epilepsynw.org](http://www.epilepsynw.org), or call 1-800-752-3509 x102.

I would also like to note that your contributions are tax-deductible to the extent allowable by federal law. Cindy, your individual gifts to this year's ceremony helped raise a total of \$56,000 for critical epilepsy services. Federal Tax ID: 91-1062461.

Once again, thank you for your support, and for your continued commitment to Epilepsy Foundation Northwest.

Sincerely,

Faith Ramos  
Manager of Development and Special Events

Thanks,  
Cindy
